

## Sustainability Goals 2022

# Status Report Q1

We started 2022 by setting nine sustainability goals. During the first quarter we mainly focused on the goals regarding Staff & Health, Reduce Environmental Impact and Sustainable Products. Below you can see the current status of our goals.

### STAFF & HEALTH

**GOAL:** Review Sundström’s intern Code of Conduct.

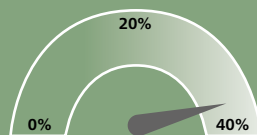

### SUSTAINABLE PURCHASING

**GOAL:** Review our routines regarding sustainability in our purchasing chain.

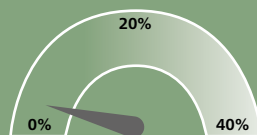

### ENVIRONMENTAL IMPACT

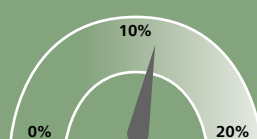

**GOAL:** Reduce the amount of combustile waste by 20%\*.

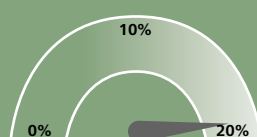

**GOAL:** increase the amount of recycled waste 20%\*.

**GOAL:** Reduce our energy consumption by 10% per million sales (SEK)\*.

**GOAL:** Increase the number of products produced by 10% per kWh consumed\*.

### SUSTAINABLE PRODUCTS

**GOAL:** Calculate the carbon footprint for at least two products.

**GOAL:** Start to analyze how to reduce the environmental impact of our products.

### SOCIAL RESPONSIBILITY

**GOAL:** Review our Sponsorship policy.
